

# The Indiana Flock Exchange

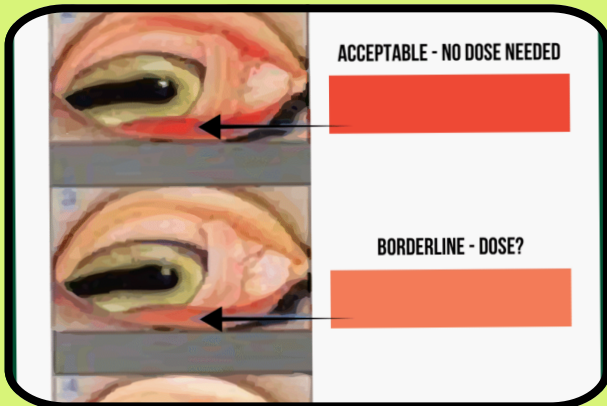

Presented by **Indiana Sheep Association and Sheep and Wool Checkoff**

The Indiana Sheep Association is excited to invite you to our workshop series led by Purdue's new Small Ruminant Extension Specialist, Cora Reinbolt. Taking place in three different regions of the state during three different months in 2026, these sheep health workshops which will focus on parasites and other current sheep health concerns.

## EVENT HIGHLIGHTS

### Discounted FAMACHA Training

Get certified in FAMACHA, a \$30 value included in your \$10 registration fee. Learn to spot the signs of anemia in sheep indicating parasites and receive the materials you'll need to practice FAMACHA in your flock, reducing your chance of parasite resistance.

### Indiana Board of Animal Health on current sheep health issues

A representative from BOAH will be speaking at each event on health issues impacting sheep specifically in the Hoosier State
